

## Multi-professional SACT assessment, authorization and prescribing training day

Wednesday 18th December 2019

Event ID: 812

<b>Venue:</b>	The Royal Marsden Conference Centre, Stewart's Grove, London, SW3 6JJ
<b>Audience:</b>	The day is aimed at medical and non medical clinicians who are new to assessing, authorising and prescribing SACT
<b>Aim:</b>	The aim of this day is to increase the confidence of health care professionals who are new to assessing patients receiving SACT. The day will increase knowledge of how SACT is funded and data assessed nationally, how to assess patients in clinics, to explore prescribing and clinical documentation to prevent errors, and consider how to keep up with rapid new developments. The day is suitable for new oncology SpRs and non-medical prescribers who are reviewing patients on SACT. The day will be a mixture of lectures and small group workshops based on cases and will include chemotherapy and target therapies
<b>Cost:</b>	£150 per delegate
